Summary of Terms:

Below this summary are the full terms and conditions. These terms and conditions (and the additional terms set out in your customer contract, any service change receipt and the relevant “Legal Stuff” on our website) form your agreement with Virgin Media and Virgin Media Payments. When referring to “agreement” we mean all of these things. The agreement is legally binding, which means that we are making promises to each other about the services we provide and how you are permitted to use those services.

It is important that you read and understand the full terms and conditions before you order and start using our services. Just in case this summary and the full terms and conditions seem to say different things, the terms in the full terms and conditions will be the terms that apply.

Your right to cancel during the cooling off period – See Section M

- If you have ordered the services online, by telephone or from an agent attending at your home, and have entered into a new contract, you have the right to cancel those services within your 14 day cooling off period. You can cancel immediately during this time without having to pay an early disconnection fee.
- Cooling off rights do not apply to certain digital content, e.g. Pay-Per-View movies, that we provide to you as part of the television service.

How long does your agreement last?

The minimum period

- This agreement will continue for a minimum amount of time (the minimum period). We will explain the length of your minimum period to you before you start using any services or offers, and your minimum period will also be set out in your order confirmation.

This minimum period will typically be 12 months, but we may offer services with other minimum periods e.g. 30 days or 6, 12, 18 or 24 months.

- If you want us to stop providing the services at the end of your minimum period you will need to give us at least 30 days' notice as set out in Section N of the agreement.

- We will normally notify you when your minimum period is about to end.

What happens after the minimum period?

- Once your minimum period ends, if you haven’t asked us to stop providing the services or asked us to change your services as mentioned above, we will continue providing you with the same services (as described in more detail below) on the then current standard monthly price for your services.

- Some of the offers or discounts we provide from time to time may last longer than the minimum period and this will have been discussed with you at the time you took up that offer or discount. After the end of the discount or offer your price will increase to the current price for those services.

- If the offer or discounted rate lasts for the same time as your minimum period, your price will increase when the minimum period ends.

- Also, please note that whilst we will have told you the standard monthly price at the time you entered the agreement, you will pay the then current price at the end of the minimum period, so the price may have increased during your minimum period. Please check on the Virgin Media website or call us on 150 from a VM landline or 0345 604 1111 from another phone for the updated pricing.

Paying for your service – See Section I

- You must pay Virgin Media Payments the charges for the services as set out in our price guides and tariff guides, or as set out in your order summary and/or your Bill, which may also include a third party service provider if we already have an arrangement with them and you have asked us to add payment for those services to your bill.

- You need to make sure you pay your bill so that Virgin Media Payments receives payment before the due date shown on your bill.

- If you do not pay your bills on time, you may need to pay interest or other charges for your default, such as the late payment charge and/or any charges levied by your bank or building society against us (or Virgin Media Payments) for failed cheques or direct debits. Please see the price guides for details.

How do I end my agreement? – See Section N

- You can cancel this agreement at any time by giving 30 days’ notice.

- If you cancel this agreement before the minimum period has finished (and not during the cooling off period) you may have to pay an early disconnection fee. We will tell you how much this will be before you cancel. You can find out more details on the early disconnection fee and process by visiting the Legal Stuff section here early disconnection fees.

What if I move home during my minimum period? – See Section O

Moving within the Virgin Media network area

- When you take our services you agree to take these at your home address.

- If you move home to an area where our services are available then you can ask us, on 30 days’ notice, to transfer your services to your new address. New address, which we will do providing there is sufficient capacity on our network. A service transfer fee may apply, please see the price guides for details.

- If you move home during your minimum period and we have agreed to continue providing the same services at your new address then your minimum period will continue (e.g. where your services are on a 12 month minimum period, if you move during month 7 of your minimum period, the remaining 5 months of your minimum period will apply). In all other circumstances a new minimum period may apply.
• If you move to an address within our network area, we cannot guarantee to provide you with the same services at your new address (e.g. where there is insufficient capacity on our network).

• If we are unable to provide services to you at your new address, or if what we provide is not the service we have provided to you at your previous address, then you can cancel your services and you will not need to pay an early disconnection fee.

Moving outside of the Virgin Media Network during your minimum period

• The Virgin Media Network service area does not cover all of the UK — please check to see what services we can provide in your area,

• The Virgin Media Network service area does not cover all of the UK — please check to see what services we can provide in your area. If you are moving to a property outside of our network, which you are unable to provide services to you. If this is during your minimum period it will mean that you will be asking to end your services early, so you may need to pay an early disconnection fee.

• If you are moving to a property outside of our network area but still within the UK, you should inform us of this when you submit your disconnection request, as we will credit you back the early disconnection fee if you follow our instructions and provide valid evidence of your new address within 30 days of our request for such evidence. Please visit the early disconnection fee area of the Virgin Media website by clicking here for further information.

Changes to prices, terms and conditions and the services we provide to you — See Sections K and N

• We may increase our charges under this agreement at any time. We may also change these terms and conditions, the equipment, and the services that we have agreed to provide to you.

• If the changes we make relate only to an add-on, any cancellation right will be limited to that add-on only (see paragraph N6(a) for further details)

• If the changes we make relate only to a supplementary service and those changes provide you with a right to cancel that supplementary service, we will notify you of this and inform you of your right to cancel the affected supplementary service and this agreement without paying an early disconnection fee. Any cancellation right will be limited to where you are already signed up to that supplementary service (see paragraph N6(b) for further information).

Suspending and ending Services — See Sections L and P

• Where you have broken our agreement in a serious way, then we may suspend or end your services and your agreement. We will behave reasonably when deciding what course of action to take and where possible discuss this with you first.

• We also have an acceptable use policy that describes how the services can be used and it can be found by clicking here.

Ending this agreement — See Section N and R

• If you have entered into a new contract you can cancel those services at any time during your cooling off period without needing to pay any early disconnection fee as described above.

• You can also cancel this agreement without needing to pay an early disconnection fee where we have:

Your rights under Consumer Law and Regulation — See Section P14

• You also have rights and remedies that apply in addition to any of the rights we give you under this contract. Some of these rights are contained in the Consumer Rights Act 2015. For example, under that Act if we have not exercised reasonable care and skill in providing the services to you or where the goods or digital content provided to you are faulty or do not match what we agreed to provide, you have the right to ask us to fix a problem (where this is possible) or to receive a reduction in price.

• If you experience a delay in the activation or repair, or a missed appointment by one of our technicians for your Virgin Phone (fixed line) or Virgin Broadband service, you may be entitled to credits under the Virgin Media Automatic Compensation Scheme (click here to view the policy).

FULL TERMS AND CONDITIONS

A. General

1. As far as these terms and conditions, the contract that you will have been sent together with any service change receipts, the services have Legal Stuff which applies to the services and their use, as published by us in the Virgin Media website.

2. You agree that you are liable for any charges on your account regardless of whether you or anybody else (with or without your permission) incur those charges (unless the charges result from fraud by someone else which you could have had no control over). For example, if someone who has access to your home uses the services, they will be considered to be within your control and you will be liable for those charges. If you become aware of any fraud by someone else, you must tell us as soon as possible. You understand that, under no circumstances should you give your PINs and passwords to anybody else (unless you’re happy for them to use your account and incur charges on your account that you will need to pay for). From time to time we may let you try certain extra things for no additional charge, e.g. as part of a trial or for promotional purposes. However, these won’t form part of the services under this agreement, and we have the right to withdraw them at any time and without giving you notice.

B. Virgin TV

1. We aim to offer a television service covering a wide range of interests.

2. (1) The television service is a variable TV service, so we don’t guarantee that we’ll provide any particular channel, or other content, or access to any third-party service. The services may add, remove, change or interrupt (some, or all, of) the content and/or the television service from time to time. We may also have to make changes for reasons including (but not limited to) matters beyond our reasonable control, or where content or a service is made available to us by a third-party and they stop making these available to us or we are unable to make the content or service available to you. Where this happens and, if appropriate, we will try to replace content with similar or equivalent content.

   (2) Where we are able to replace the content with similar or equivalent content, such a change shall not provide you with the right to cancel this agreement without paying an early disconnection fee.

3. (3) Where we are unable to replace the content with similar or equivalent content, we will make reasonable efforts to do so in accordance with your instructions, but in that case, we shall not be liable for this change, and your agreement shall remain in full force and effect. Where the failure to provide the content or service is because of our own negligence or breach of contract, then you shall have a right to a proportionate reduction in price.

4. We may be able to show some content or enable certain functionality (such as temporary downloads) on some of your equipment, such as iPhones or Android phones, as the third party license the content from us may not allow us to do this.

5. Any example we have given of any content on the television service (including in advertisements, direct mail, in-store, on-line or on the telephone) is only an example of content that may be available as part of the television service at the time of your request, and the example may not always be on the television service throughout the term of this agreement.

6. We have the right not to make a Pay-Per-View programme available to you if you do not meet credit conditions set by us or if you have failed to pay any charges you owe.

7. It is up to you to make sure that if minimum age recommendations apply to any part of the television service, those parts of the television service are not viewed by anyone below that minimum age.
V. Virgin Phone

1. If you are keeping an existing phone number but taking a phone line from us as part of the service, you authorise us to cancel that part of your agreement with your old provider which relates to renting that line. However, you may retain any agreements or features that you may have with your old provider, e.g. for renting equipment or for extra lines. Although we are usually able to arrange for you to keep your existing line number when you transfer your line to us, we cannot guarantee this.

2. If we provide you with a phone line and you don’t ask us to transfer your existing telephone number, we will allocate a number to your new line. The telephone number and any rights in it belong to us and you may not sell or agree to transfer the number to any person. However, you do have the right to transfer to another provider either an existing phone number that you transfer to us, or a phone number which we allocate to you. You have the right to transfer your phone number to a replacement provider within 31 days from the termination of your account with us. The details and any forwarding charges must be obtained from publicly available records on the telephone service other than the equipment we have provided to you for the express purpose of receiving or setting recordings on the telephone service.

3. You agree that we will give your details, including address and phone number to the emergency services. When ordering your phone service, you can choose whether we pass these details and your name to other authorised public communications providers and regulated public communications service providers. This is so your details can be included in phone books and be obtained by emergency services to complete directory enquiry services. You can update this choice at any time. We cannot accept any liability whatsoever for any failure by authorised public communications providers and regulated public communications service providers to provide information to you. We can tell you about other options that are available to protect and control how your information is used.

4. You accept that your phone number must not be advertised in or on a public telephone box. If this happens, we may immediately suspend the service or disconnect your line. We will use reasonable endeavours to contact you before we take this action.

5. Your phone number and phone line are for private use by you and members of your household only. They must not be used for any activities not reasonably expected of someone using the services for domestic purposes, e.g. whilst a reasonable amount of working from home is expected, if you use your line for business purposes, we may be reasonably expected to conclude that you are a business customer and have no liability for any business losses you may suffer.

6. Your package fees and call rates that are applicable from time to time may be subject to change before they are set out in our latest tariff guide, posted on this section of the Virgin Media website (www.virginmedia.com/callcosts). Otherwise, you can call us to discuss the services we provide take precise rates and any rates shown in generic marketing material. Where we make changes to our tariffs, we will notify you of rate and call rate changes by publishing an updated tariff guide on the Virgin Media website.

7. If your use of unlimited or extra charge calls are provided as part of your service the charge rate on your phone services exceeds that reasonably expected of a reasonable person using the services for domestic purposes, you may:
   - restrict, suspend or end your services; and/or
   - charge you our standard rates as published in our latest tariff guide for any calls exceeding those reasonably expected of a person using the services for domestic purposes.

8. Call waiting functionality are subject to variation and may not be available in all network areas. See www.virginmedia.com/callcosts for details of call features.

9. Most security and personal alarms and health monitors should be compatible with our services. However, you are responsible for checking with your alarm or monitor provider to ensure that your alarm or monitor is compatible. If you provided us with your alarm, we will not be liable for any issues arising from your alarm being connected to any other service arrangement. By providing us with your alarm, you accept responsibility for issues arising out of incompatibility.

10. We may provide your phone services over our broadband network or over a traditional copper network. You agree to the following provisions (in addition to the terms and conditions above) if we have told you that your phone services will be provided over our broadband network:
   - you should keep your broadband router plugged in and switched on at all times to make and receive calls; and
   - you acknowledge that if there is a power or network outage, your phone services will not work and you will be unable to make or receive phone calls. Service providers have no responsibility to you to give you a mobile phone handy and charged and use your mobile phone to call the emergency services if your broadband is down.

11. If we provide your phone services over our broadband network and you have a security or personal alarm or health monitor which is connected to your phone line, this will not work during a power or network outage. You should check with your security or personal alarm or health monitor supplier to ensure that your alarm or monitor is connected to your phone line and if this affects you. Any other person who has agreed that you connect to your phone line may also not work in an outage.

12. If a power or network outage occurs during a phone call, the call may continue for up to 10 seconds after the calling party has hung up, and will be billed accordingly.

13. For customers with accessibility requirements or for customers who do not have a mobile phone, we have measures in place to help the provision of an emergency service, if you or anyone currently residing at your address has an accessibility need, or develop accessibility needs at any time that you are a customer, you should tell us this as soon as possible so we can put measures in place to assist you. These measures include:
   - allowing you to order a mobile phone and service at no additional cost, or
   - allowing you to use your existing mobile phone and service for calls to emergency services.

   This might also include providing you with an emergency backup line to use, to allow you to make calls to the emergency services in an emergency. If your copper line fails, the emergency backup line will allow you to make emergency calls (e.g. 999 and 112), and we will not charge you to make direct-dialled calls at no extra cost to select non-emergency numbers as set out in our latest tariff guide (see www.virginmedia.com/999 and www.virginmedia.com/112). The emergency number(s) you receive may be subject to your location and network availability. If we provide you with an emergency backup line, it should work at your household, and the sim included in such device is provided solely for use within the emergency backup line device during a power or network failure. If we suspect that the sim is being used in a device other than the emergency backup line device, the service may be suspended and you will receive notice calls using that sim to non-emergency numbers. If you then subsequently re-insert the suspended sim back into the emergency backup line device, the emergency backup line may not work during a power outage. Calls to 112 and 999 will continue to be allowed.

D. Virgin Broadband

1. For internet access you need to make sure that your equipment, such as your computer or device which connected to the service, is compatible with our equipment by Ethernet or wi-fi connection. The Virgin Media Help & Support pages of our website can help you set up your connection see Help & Support.

2. In order to keep providing a great level of service, we may modify or temporarily suspend internet access, or part of it, to the extent necessary for us to carry out maintenance, technical repair, enhancement or emergency work. If we do this, we will ensure that you have access to alternative services, if available. If you are unable to use internet access, we will restore internet access to you as soon as we can. Where possible, we will notify you of this through email or telephone within the hours of 8am and midnight and is due to last for more than 1 hour.

3. Due to the nature of the internet, we cannot guarantee specific levels of performance for internet access.

4. You confirm that you are the owner of, and that you have obtained all necessary permissions to use, the email address associated with any email address selected by you in connection with internet access.

5. We accept that we cannot guarantee you will be able to have and use an email address, although we will make reasonable attempts to give you an alternative email address and let your contacts know the change, as we cannot do this for you. Please see our acceptable use policy for more detail on email address usage and our Help and Support pages (by clicking here) on what happens to your email when you leave us.

6. It is your responsibility to keep back-up copies of any data you upload to our network and you are responsible for establishing to monitor or manage your content online and internet use.

7. Internet access is for private use by you and members of your household. It must not be used for any activities not reasonably expected of someone using the services for domestic purposes, e.g. whilst a reasonable amount of working from home is expected, if you use your line for business purposes, we may be reasonably expected to conclude that you are a business customer and have no liability for any business losses you may suffer. We have other more appropriate packages such as Homeworks, and for small business use there are services provided for by Virgin Media Business.

E. Services and Equipment

1. We will agree with you a date for installation or delivery of equipment or activation of the services and we will try and keep to this date, but we may have to change the installation, delivery or activation date. We will agree with you the date and time that we will make every effort to fit the equipment to your address, this may not be possible because of technical or other reasons. If this is the case, you may either choose to allow us to install the equipment at a later date or we can let you know the next available date. See section R15 for additional rights you may have in relation to delays or failures arising from a switching or porting process.

2. You agree that you or a person authorised by you (who is 18 or over) will be present when we install the equipment at your home.

3. Where we need to install equipment at your home, we will make every effort to fit the equipment to your address, this may not be possible because of technical or other reasons. If this is the case, you may either choose to allow us to install the equipment at a later date or we can let you know the next available date. See section R15 for additional rights you may have in relation to delays or failures arising from a switching or porting process.

4. We agree that you or a person authorised by you (who is 18 or over) will be present when we install the equipment at your home.

5. We will provide you with the equipment that we need to make your phone or internet connection, this may not be possible because of technical or other reasons. If this is the case, you may either choose to allow us to install the equipment at a later date or we can let you know the next available date. See section R15 for additional rights you may have in relation to delays or failures arising from a switching or porting process.

6. Where we do not need to install equipment at your home, we will either send you all the equipment you need through the agreed delivery method, to connect to the services, or advise you of any additional equipment you need. If applicable, it is your responsibility to purchase the additional equipment as notified to you. We will not be liable to you for any loss or damage caused by your installation of the equipment or additional
equipment, unless this loss or damage is caused by our fault.

5. Where we have recommended that you purchase additional equipment for use with the services and you have chosen not to take our recommendation, we cannot guarantee the compatibility of what you instead choose, nor can we provide installation or on-going support in respect of it. Where additional equipment is purchased from our recommended suppliers, we are not responsible for them or any additional equipment you purchase from them. If any additional equipment you purchase from recommended partners becomes faulty upon arrival, please contact the recommended partner for a replacement. We may need to provide our recommended partners with your name, address and order details in order for them to fulfill your order.

6. To provide the services, the equipment (e.g. a set-top box or hub ("hub")) must be connected to your equipment (e.g. a TV). You are responsible for making sure your equipment works properly. You agree to provide and pay for suitable facilities and all necessary electrical and other installations (including power outlets or sockets) for the equipment.

7. Where we need to set up any services on your equipment you authorise us to have access to your equipment to perform such work (which may include the installation of software) and to check that those services are working properly. You confirm that you will have prepared your equipment and will follow our reasonable instructions (if required) to prepare your equipment, so that we can perform the set-up properly. It is your responsibility to keep back-up copies of any important data stored on your equipment prior to the set-up of the services by us on your equipment.

8. You are responsible for applying for any consents and permissions necessary for us to connect and maintain the equipment at your home (e.g. any permission necessary to lay cable from the street to your address). We are not obliged to install equipment or provide the services unless all consents and permissions have been obtained.

9. Our obligation to provide the services is also subject to survey. If a survey shows that the equipment cannot be installed or connected at your home, or if a non-standard installation is required, we may cancel any agreement for which we do not have an installation date we have given you and terminate this agreement. You will be notified of this as soon as possible after the survey. We shall not be under any liability whatsoever to you for any failure to provide the services in these circumstances but will refund you any payments you have already made. This may include, if necessary, the Virgin Media Setup Fee paid for installation of the equipment and provision of the services.

10. You do not have to connect the equipment at your home, or otherwise keep to this agreement to the extent the following affects our ability to do so, if:

1. your home is outside our service area or in a part of our service area where no cable has been laid, or we are unable to activate the services on your line or switch your home for any reason;

2. you do not qualify under our current credit policy;

3. you have previously missed our television service;

5. it is not practical to carry out the connection for health and safety reasons or for other reason.

11. We may monitor any content or material transmitted over the system, including email and internet communications, where required by law or on enforcement authority, or as part of any actual or potential criminal or suspected fraudulent activity. Any data we collect will be in accordance with our Privacy Policy and our Cookies Notice.

F. Looking after the Network and Equipment

1. We will try to provide any maintenance services that we believe are necessary for the network and equipment to work properly and for us to provide the services to you.

2. We may upgrade or update the network, equipment and the services from time to time. If we believe such an update is likely to materially disadvantage you, we will notify you in accordance with paragraph N10 and you may have a right to cancel your agreement.

3. Our network, equipment and services may vary. We will always aim to provide you with continued access to services but we will not be liable for interruptions, reception, picture degradation or other problems with the services which are matters beyond our reasonable control. You agree that you will tell us about any fault in the services and equipment by contacting our customer services team, who will aim to respond as promptly as possible. Please visit the customer section of our website for details on how to get in touch. In many circumstances it may be possible for us to correct a fault without going to your home, but if this is not possible and if it is reasonably practicable, we will arrange for a technician to visit you.

4. There are times you will need to pay us for a technician to visit your home but we will always agree the time of that visit with you and the charge for that visit. We will notify you if we need to send a technician to:

1. you have chosen for a technician to attend your home (but this does not include where we need to attend your home for necessary maintenance); or

2. you have chosen for a technician to attend your home and you miss that agreed appointment (or there is no-one over the age of 18 present); or

3. we need to send a technician to provide necessary maintenance and you miss the agreed appointment (or there is no-one over the age of 18 present); or

4. the technician diagnoses the fault in the equipment as being caused by misuse, neglect or accidental or willful damage; or

5. the technician discovers that the fault or other problem relates to your equipment or system that we are not responsible for.

6. The charges for technician visits are set out in our price guides. We understand that your circumstances might change or a fault may have ceased (for whatever reason), but so long as you tell us in advance that maintenance is no longer required or that you would like to cancel or rearrange the technician visit before 12pm the day before the appointment we will not charge you a fee as described in paragraph F5.

7. Where we supply the services to you via your connection to another public communications provider’s network (e.g. “Virgin TV Go”) it is your responsibility to maintain your connection to such public communications provider’s network. You are responsible for ensuring that you are not prevented from failing to provide the service if such failure arises as a result of any interruption to or disconnection from the public communications provider’s network because of failure or inadequacy in any equipment for which we are not responsible.

Where we do reduce or suspend the affected service we will reinstate the service if we have been able to resolve the issues with you within a reasonable time but we will need your reasonable co-operation to do so. We will terminate the services and agreement with you where this is not possible or if we consider, acting reasonably, that your breach is sufficiently serious and requires us to terminate the agreement. If we cannot contact you and we make such changes we will notify you as soon as possible.

7. In particular, if you subscribe to a service allowing internet access that has a limit on the amount of data that you are allowed to download or upload each month (monthly usage allowance), you must not exceed that monthly usage allowance. At the end of your billing period your monthly usage allowance will then be reset to the previous limit which will then apply. You are responsible for providing Virgin Media with an active email address and mobile number that you check regularly to receive these updates. You can find details of relevant changes within the My Alerts pages within the My Usage section of your My Virgin Media account.

However, where applicable we may make a charge to reflect our costs in connection with suspending and starting supply of the services again. You must pay this charge before you can use the services again. You may also be liable for all charges for services during this period of suspension.

9. You can find details of the early disconnection fee on the Virgin Media website. The early disconnection fee will not be more than the charges you would have paid for the services for the remainder of the minimum period and will be less any costs we save, including the cost of no longer providing you with the services.

6. Subject to the exceptions in paragraphs (a) to (d) of this N6 and paragraphs N7 and N8, you have the right to cancel this agreement:
   1. increase your monthly charges under this agreement;
   2. increase any of our other charges that you are required to pay under this agreement;
   3. make any changes to the terms and conditions of this agreement that apply to the services you already have which are not exclusively to your benefit;

    we will give you at least 30 days’ notice of such a change and inform you of your right to cancel this agreement without paying an early disconnection fee by giving us notice in accordance with the instructions set out in our notification. You need to give us your cancellation notice within 30 days of us notifying you. If you cancel this agreement under this paragraph N6, your contract will terminate on the earlier of (i) 30 days after your notice is deemed delivered in accordance with paragraph T3, or (ii) the date on which the change comes into effect, or, where this is not feasible due to the timing of your notice, as soon as reasonably possible after that date.

   Other than where the exceptions referred to in N7, N8 and N9 apply, if the change described in N6(1) to N6(5) (inclusive) relates:
   (a) only to an add-on that you have already signed up to, and you decide to cancel this agreement due to the change in the add-on and you are within your minimum period for the services, you may still be required to pay an early disconnection fee as set out in paragraph N5 by way of compensation to us for ending the core services early. We will inform you of this if this is the case; or
   (b) only to a supplementary service that you have not already signed up to, you will not have the right to cancel this agreement;

   (c) only to a supplementary service that you have already signed up to, and the changes are not exclusively to your benefit, we will notify you of this and inform you of your right to cancel the affected supplementary service and this agreement without paying an early disconnection fee by giving us notice in accordance with the instructions set out in our notification.

7. Your right to cancel without paying an early disconnection fee set out in paragraph N6 shall not apply if we make any changes to the charges, network, equipment, services, or the terms of this agreement that are not exclusively to your benefit or for the following reasons:
   1. the change is purely administrative and has no negative effect on you;
   2. the change is due to a change in law (including a change required by government or a competent regulatory body) that applies to us or the equipment we provide. This includes any increase in the rate of VAT, the imposition of new tax or the extension of an existing tax that has not previously been collected;
   3. we have a legal or regulatory obligation to pass on cost increases, (e.g. where the service charge for calling 084, 087, 09 and 118 numbers increases).

   We will inform you of any changes made for the reasons set out in this paragraph N7 in accordance with paragraph N9(2). If you decide to cancel this agreement due to a change made for the reasons set out in this paragraph N7 and you are still within your minimum period, you may still be required to pay an early disconnection fee as set out in paragraph N5 by way of compensation to us for ending the services early.

8. (1) Subject to paragraph N8(2), where our charges, network, equipment or services change in the ways described below, you will not have the right set out in paragraph N6 to cancel this agreement during your minimum period without paying an early disconnection fee:
   a) changes to charges that are based on the cost of providing the service to you or carrying out the relevant task, only to the extent that any change is directly attributable to the cost element and is not made more frequently than once in any month e.g. cost based elements such as paper bills, early disconnection fees, late payment fees, and equipment non return fees.
   b) changes to the network, equipment or services which are variable and permitted under the terms for that equipment, network or service. Examples of such permitted variability include but are not limited to TV (see paragraph B2) and our updates (see paragraph F2).

(2) We will notify you of a change under paragraph N8(8) in accordance with paragraph N10. If we believe such a change is likely to materially disadvantage you, we will notify you of your right to cancel this agreement and cancel this agreement without paying an early disconnection fee in accordance with paragraph N6 above.

9. If we enable you to use a service that is supplied by a third party and is subject to their terms and conditions, we are not responsible for any changes made by that third party to the third party’s services, changes, terms and conditions or for notifying you of those changes as such changes are outside our control and we may not be aware of them. You will not have a right to cancel this agreement during your minimum period without paying an early disconnection fee as a result of those changes.

(10) Where we make a change to the network, equipment, charges, services or the terms of this agreement in accordance with this paragraph N, and such change provides you with the right to cancel this agreement without paying an early disconnection fee, we shall notify you directly of:

(a) if our authority to operate as a public communications provider is suspended for any reason; or
(b) if in your reasonable opinion it is necessary to do so for security, technical or operational reasons.

11. Where this agreement ends or you cancel a service, we will deactivate (permanently switch off) any relevant equipment we supplied to you to provide the services. You will no longer be able to use the equipment.

12. If you fail to return or make available for removal any item of the equipment which we have provided to you, you may have to pay extra charges for such equipment, including any additional charges and line rental usage charges or line rental charges for the period of the equipment’s non-payment. If we agree to the early disconnection of the equipment, we will notify you of the amount you will have to pay for the period of the equipment’s non-payment.

13. If this agreement ends for any reason, or if any of the services are cancelled, Virgin Media Payments will be entitled to keep any money held (including deposits and advance payments) and to use any money that has been paid to you or debit any debt you may owe under this agreement. We’ll get in touch with you to refund you any money remaining after these deductions, unless our costs to administer that refund outweigh the actual account balance. If that’s the case, we’ll donate the account balance to charity. If we have reasonably tried to contact you during the 30-day period, we will not be liable to you, we may also donate your account balance to charity, whatever the amount.

O. Moving home outside of or within the Virgin Media Network service area

1. If you move to an address that is outside of the service area during any minimum period you may need to pay the early disconnection fee described in paragraph N5. If you are moving outside our network area but still within the UK, you should inform us of this when you submit your disconnection request, as we will credit you back the early disconnection fee if we follow our instructions and provide valid evidence of your new address within 30 days of our request for such evidence. Please visit the early disconnection fees area of the Virgin Media website for more information.

2. If you move to another address within our service area, you may ask us to provide the services to your new address. You must provide at least 30 days’ notice to do this.

3. If you move to an address within our service area, we cannot guarantee to provide you with the services at your new address, for example you may move to an area that where there is not sufficient capacity on our network. If this happens and we are unable to provide services to you, or if what we can provide is not equivalent to the service we have provided to you at your previous address, then you may cancel your services and you will not need to pay an early disconnection fee.

4. If we agree to provide the services to your new address, you may have to pay a service transfer charge (to be paid to Virgin Media Payments). Details of the service transfer charge are set out in the price guide.

5. Where we have agreed with you to continue providing the same services that you received at your current address to your new address and this is during any minimum period, then that minimum period will continue at your new address (e.g. where your services are on a 12 month minimum period), if you move during month 7 of your minimum period, the remaining 5 months of your minimum period will apply for those same services being provided at your new address). Where we have agreed with you to change the services you receive at your new address then a new minimum period may apply for those services and the service start date for that new minimum period will be the date that the equipment is installed at your new address.

P. If you break this agreement

1. We and/or Virgin Media Payments may end this agreement immediately if:

(a) you become insolvent or bankrupt, you enter into any arrangement with your creditors, or if any legal action is taken or threatened against your property;

(b) we believe that you or another person at your home have committed, or may be committing, fraud against us or the organisation whether or not by using the services or equipment (or both);

(c) you break any of this agreement in a serious and non-minor way and, if you are able to put things right, you have not done so within 7 days (or such other longer period as we specify) of asking you to do so;

(d) we and/or Virgin Media Payments have reason to believe that you have provided us or Virgin Media Payments with false, inaccurate or misleading information either for the purpose of obtaining the services and/or the equipment from us, or at any time during the provision of the services;

(e) any permission under which we are entitled to connect, maintain, modify or replace the equipment is ended for any reason;

(f) we are required to comply with applicable law or regulation, or comply with an order, instruction or request of Government, an emergency services organisation or other competent administration, legal or regulatory authority;

(g) you or anyone you authorise to deal with us on your behalf acts in a way towards our staff or agents which we reasonably consider to be inappropriate;

(h) we and/or Virgin Media Payments are specifically entitled to do so under any other section of this agreement; or

(i) we validly suspend or reduce any of the services in accordance with paragraph L. for a period of 30 days or more.

2. If you break this agreement and we and/or Virgin Media Payments choose to overlook it, we can still end the agreement with you if you break it again.

3. If we end this agreement because you have broken this agreement as set out in this Section P (including where you have not paid the charges which you are liable to pay under this agreement), we are entitled to:

(a) charge you for all charges (including usage charges and line rental) up to the date the agreement ends; and/or

(b) if the agreement is ended during any relevant minimum period, charge you an early disconnection fee as described in paragraph N5; and/or

(c) prevent and/or disrupt access to the services.

4. If you break this agreement by committing fraud or any other criminal activity, we will report you to the police, who may take legal action.

‘VOLT’

PROMOTION TERMS AND CONDITIONS FOR VIRGIN MEDIA SERVICES

The following promotion terms and conditions govern ‘Volt’ benefits for Virgin Media services and only form part of your Virgin Media customer contract once an eligible order for your Virgin Media Services to be supercharged with Volt has been accepted by Virgin Media.

These terms and conditions are in addition to:

- the standard terms and conditions of your residential customer service agreement with Virgin Media (Virgin Media Standard Terms);
- the Volt Terms and Conditions for O2 customers which govern the Volt benefits applicable to your eligible O2 Pay Monthly Mobile Plan (available at www.o2.co.uk/termsandconditions/mobile/supercharged);
- the standard terms and conditions of your agreement for your eligible O2 Pay Monthly Mobile Plan (available at www.o2.co.uk/termsandconditions/mobile/our-latest-pay-monthly-mobile-agreement);

Please read through these terms carefully.

Please note:

- whilst you may be eligible to have your services supercharged with Volt as a result of having certain O2 and Virgin Media services registered at your residential address, separate contracts apply to the O2 and Virgin Media services and the relevant account holder(s) will be responsible for these services;
- Your contract for Virgin Media services is with Virgin Media Limited and Virgin Payments Limited; and
- if you have an eligible O2 Pay Monthly Mobile Plan, your contract for that plan is with Telefonica UK Limited

For customers who have been supercharged with Volt or have had their Volt order accepted, Virgin Media reserves the right to change or withdraw the Volt benefit applicable to your relevant Virgin Media, Virgin Broadband and Virgin Phone Services (as provided immediately before these terms and conditions) (the "Virgin Media Standard Terms");

1. What is “Volt” and how can you get the benefits?

1. Provided you are not taking one of Virgin Media’s Essential broadband packages on or after November 2022, if you have or sign up to either a Virgin Media residential broadband service and either: (i) an eligible O2 Pay Monthly Mobile Plan, or (ii) an eligible O2 Pay Monthly Mobile Plan is registered in another resident’s name at your address, you will be eligible to have the Virgin Media services at your residential address supercharged with Volt and receive the following Volt benefits for your Virgin Media services:

   1. a broadband speed boost to upgrade you to the next available Virgin Media broadband tier (up to a maximum of 1 Gbps download speed) available to you at your residential address at the point you place your order to become supercharged with Volt. This does not include provision of the Upload Speed Add-On. Please see Section B below; and
   2. our money-back WiFi coverage guarantee with WiFi Max, at no extra cost if you are on a Virgin Media broadband package of M50 or above. WiFi Max is subject to WiFi Pods stock availability. Please see Section C below.

2. If you have or sign up to an eligible O2 Pay Monthly Mobile Plan and become eligible for Volt benefits, then the Volt benefits for your O2 services are governed by the terms of your separate contract with O2 (available at https://www.o2.co.uk/termsandconditions/mobile/supercharged), which includes an explanation of which O2 Pay Monthly Mobile Plans are eligible for being supercharged with Volt, what are the Volt benefits for O2 services and the steps which need to be taken to receive the Volt benefits for O2 services.

3. If you are an eligible new Virgin Media broadband customer, the Volt benefits for your Virgin Media services will be applied to your Virgin Media account from your Virgin Media service start date. If you are an eligible existing Virgin Media broadband customer, the Volt benefits for your Virgin Media services will be applied (unless we inform you otherwise) up to 14 days following either: (i) your O2 Pay Monthly Mobile Plan order; (ii) the purchase of an eligible O2 Pay Monthly Plan by another resident at the same residential address; or (iii) the activation of Volt benefits for an existing O2 Pay Monthly Plan.

4. If you are an eligible existing Virgin Media broadband customer who already has an eligible O2 Pay Monthly Mobile Plan, you will need to visit your MyO2 online account to place an order to unlock the Volt benefits, for both the Volt benefits for your Virgin Media services, which will be unlocked within 14 days of you doing so.

5. You will not be able to unroll from the Volt benefits once they have been activated, unless you decide to cancel both your eligible O2 Pay Monthly Mobile Plan and your Virgin Media residential broadband service (or if the eligible O2 Pay Monthly Mobile Plan registered at your address is cancelled by the relevant account holder), as applicable. If you cancel your eligible O2 Pay Monthly Mobile Plan within 14 days of: (a) you receiving your O2 SIM following you purchasing an eligible O2 Pay Monthly Mobile Plan; or (b) you re-contracting to an eligible O2 Pay Monthly Mobile Plan at the same time as purchasing eligible Virgin Media broadband services, you may become ineligible for the Volt benefits for your Virgin Media services. Depending on the services you receive:

   1. we may remove any applicable Volt broadband speed boost;
   2. you will no longer be entitled to receive the WiFi Max service at no extra cost (unless you take Gig Fibre Broadband) and standard pricing will be applied going forward; and
   3. if you were receiving the Ultimate Volt Bundle and you have cancelled your O2 Unlimited SIM, where you are the registered account holder of it, or it is cancelled by the relevant account holder after the 14 day period referred to in paragraph A.6 above, the Volt benefits for your Virgin Media services may be lost when you next reconnect to Virgin Media’s services.

6. If you subsequently cancel your eligible O2 Pay Monthly Mobile Plan, where you are the registered account holder of it, or it is cancelled by the relevant account holder after the 14 day period referred to in paragraph A.6 above, the Volt benefits for your Virgin Media services may be lost when you next reconnect to Virgin Media’s services.

7. If you remove your Volt benefits from your Virgin Media services in accordance with our rights in paragraphs A.5 or A.6 above, your Virgin Media services shall continue and your Virgin Media minimum period will be unaffected. Save for Sections A.5 and A.6 above, your Virgin Media services are entirely unaffected by the cancellation of O2 services whether by you directly or the relevant account holder at your residential address.

8. If you are an existing Oomph customer:

   1. your continued use of your Virgin Media mobile service shall be subject to Virgin Media’s standard pay monthly terms and conditions which can be found at www.virginmedia.com/shop/the-legal-stuff;
   2. your Virgin Media mobile service will continue to be provided on a 30 day rolling contract basis; and
   3. if you cancel your Virgin Media mobile service by using your PAC code to switch to a new mobile service provider, your Virgin Media SIM will stop working and we will be unable to provide mobile services to you using the same mobile number. Depending on the services you have in your Virgin Media package we will either: (a) automatically move your other services to the nearest equivalent Virgin Media package without a Virgin Media mobile service taking into account your current allowances and usage; or (b) where there is no equivalent package we will send you a new Virgin Media SIM within as soon as possible to enable you to continue using your Virgin Media services as usual. If you end your Virgin Media mobile service, your other Virgin Media services will continue and your Virgin Media minimum period will be unaffected. We will also include a credit check on your account. If your account is in arrears, or if your payment history is poor, you may be required to clear your balance before we can send you a new Virgin Media SIM.

9. You may be required to upgrade or swap your equipment in order for us to provide the Volt benefits for your Virgin Media services. If this is the case, we will let you know and facilitate an equipment swap. Should you not agree to the equipment swap or fail to return your existing equipment we may not be able to provide you with your Volt benefits and we may charge you the replacement costs and reasonable recovery costs for that equipment. In addition, if you become ineligible for the Volt benefits and we remove your broadband speed boost in accordance with these terms and conditions, resulting in the need for you to return further equipment to us, we may also charge you the replacement cost and reasonable recovery costs for that equipment. It is your responsibility to keep any of our equipment safe and we will provide all required packaging to process these returns, as applicable.

B. Volt Broadband Speed Boost

1. Your speed will only be boosted to the next available Virgin Media broadband speed tier (up to a maximum of 1 Gbps download speed) available to you at your residential address at the point you placing your order to become supercharged with Volt. This does not include provision of the Upload Speed Add-On.

2. You’ll receive confirmation from us when we have applied your broadband speed boost.

3. In the event that you become ineligible for the Volt benefits for your Virgin Media services, once the Volt benefits have been applied to your Virgin Media services, the broadband speed boost may be removed and your Virgin Media broadband package will be downgraded to the preceding speed tier available at the time of boost removal.
C. **WiFi Max**

1. WiFi Max is available to Virgin Media residential broadband customers on packages of M50 broadband or above. Availability of the WiFi Max service is subject to stock availability. Please see the section immediately below these Volt terms and conditions for Virgin Media services for the full WiFi Max terms and conditions.

2. If you are already subscribing to WiFi Max and paying for that service, a discount will be applied to your Virgin Media account within up to 14 days following either: (i) your O2 Pay Monthly Mobile Plan order; (ii) the order of an eligible O2 Pay Monthly Mobile Plan by another resident at the same residential address as the Virgin Media services; or (iii) if you are also already an existing eligible O2 Pay Monthly Mobile Plan customer, up to 14 days following your request to unlock this Volt benefit for the associated Virgin Media service via your MyO2 online account. The associated holder may not see the application of this discount until their next monthly bill.
ANNEX B

TERMS AND CONDITIONS

The following terms and conditions govern Virgin Media's WiFi Max service.

These terms and conditions are in addition to the terms and conditions of your residential customer service agreement for Virgin Media Television, Virgin Broadband and Virgin Phone Services (the “Virgin Media Standard Terms”).

Please read through these terms carefully.

1. What's the WiFi Max service?
   WiFi Max provides eligible customers with our WiFi Guarantee, backed up by our Intelligent WiFi service and (if needed) our signal boosting WiFi Pods.

2. Who is eligible to receive WiFi Max and what do you get?
   WiFi Max is available to Virgin Media residential broadband customers on packages of M50 Broadband or above. Existing Intelligent WiFi Plus customers will receive a statement of change of contract on the date that they are moved over to WiFi Max, and from that date the WiFi Max terms and conditions shall apply to their continued use of that service. For the avoidance of doubt, existing Intelligent WiFi Plus customers will not receive more than 3 WiFi Pods in total (which includes any WiFi Pods that they may have already received prior to being moved over to WiFi Max).

   (a) If you are subscribing to Gig 1, Ultimate Oomph or one of our Volt residential broadband packages:
      i. WiFi Max is available at no extra cost to your Virgin Media broadband service;
      ii. WiFi Max provides you with our WiFi Guarantee – subject to the terms below, if you don’t receive download speeds of at least 30Mbps in every room, if needed we will provide up to 3 WiFi Pods. If you still don’t receive download speeds of at least 30Mbps after that, we’ll give you a one-off credit of £300 on your next bill.

   (b) If you are subscribing to our other residential broadband packages from M50 to M500 Fibre Broadband (with Volt):
      i. you can choose to subscribe to WiFi Max as an add-on for an additional monthly subscription price, and these WiFi Max terms and conditions will only form part of your Virgin Media customer contract once an eligible order for WiFi Max has been accepted;
      ii. once you wish to add WiFi Max to your account, you will be provided with one WiFi Pod initially which we will provide once we have confirmed your order for WiFi Max has been accepted;
      iii. WiFi Max provides you with our WiFi Guarantee – subject to the terms below, if you don’t receive download speeds of at least 30Mbps in every room, if needed we will provide up to 2 more additional WiFi Pods. If you still don’t receive download speeds of at least 30Mbps after that, we’ll give you a one-off credit of £100 on your next bill; and
      iv. you can cancel your WiFi Max service at any time, just give us 30 days’ notice. We may cancel your WiFi Max service at any time by giving you 30 days’ notice.

   Please note: WiFi Max is not available to customers who are taking our Essential broadband package.

3. What happens if I change my Virgin Media broadband package?
   (a) If you subsequently cease to subscribe to a Virgin Media residential broadband package of M50 Broadband or above, your WiFi Max service may be terminated. If your broadband service is suspended, your WiFi Max service will be suspended too.
   (b) The price you pay for the WiFi Max service will depend on your broadband package. If you subsequently choose to upgrade or downgrade your broadband package, we shall inform you of the new price payable for the WiFi Max service. If you previously received your WiFi Max at no extra cost with your previous Virgin Media broadband package and you then subsequently pay for WiFi Max as an add-on as a result of a change you make, you acknowledge that the WiFi Max service is then an add-on which can be cancelled by either you or us on 30 days’ notice.

4. What equipment will I need?
   (a) In order to receive the WiFi Max service you will need either a Virgin Media Hub version 3, 4 or 5 with enhanced firmware features.

WiFi Pods require self-installation via QuickStart and can be delivered via Click & Collect or optional home delivery. Delivery costs may apply for home delivery. Delivery dates are subject to availability and could take over 30 days in busy periods. If we can’t provide the date you’ve chosen we’ll deliver on the next available date, and we will inform you of this by email. You must follow the set-up instructions that accompany your Hub and your WiFi Pods.

   (c) WiFi Pods are subject to availability and could take over 30 days in busy periods. If we can’t provide the date you’ve chosen we’ll deliver on the next available date, and we will inform you of this by email.    (e) Home environment, device limitations, number of users and time of day may affect WiFi performance. User speed varies with distance and depends on Pod and Hub location, as well as broadband package choice.

5. How does the WiFi Guarantee work?
   (a) All customers who subscribe to the WiFi Max service are eligible for our money back WiFi Guarantee, which, subject to the terms below, guarantees you WiFi download speeds of at least 30Mbps in every room, or a £100 one-off credit on your next bill.

   The WiFi Guarantee and eligibility for WiFi Pods does not cover broadband faults or broadband network outages. In the event that you are not receiving download speeds of at least 30Mbps in every room, we reserve the right to carry out a needs based assessment of your WiFi performance at the registered account address. This assessment may identify other root causes for the WiFi coverage issues you are experiencing, and we reserve the right to use our discretion in identifying the solution for improving your WiFi performance (which may include, but is not limited to, replacing your Hub, advising you to reposition your Hub and/or WiFi Pods or providing you with a technician visit).

   (b) In the event of WiFi Pod stock availability issues, we reserve the right to:
      i. provide you with alternative equipment to our usual WiFi Pods which perform a similar function; and/or
      ii. pay out the one-off £100 credit without issuing you with 3 WiFi Pods.

   (c) If you are subscribing to Gig 1, Ultimate Oomph or one of our Volt residential broadband packages and you are eligible for WiFi Max, and from that date the WiFi Max terms and conditions shall apply to your continued use of that service. For the avoidance of doubt, existing Intelligent WiFi Plus customers will not receive more than 3 WiFi Pods in total (which includes any WiFi Pods that they may have already received prior to being moved over to WiFi Max).

   (d) The scope of the WiFi Guarantee excludes the following:
      i. WiFi speed tests using a VPN connection (which may unduly cap the speed reported, and not be reflective of the actual speed delivered to your device);
      ii. exterior buildings (including, but not limited to, garages, sheds and garden offices);
      iii. unconverted loft (that is unfinished);
      iv. outside of the home;
      v. if you caused a fault, for example, incorrect use of devices;
      vi. failure to follow our reasonable instructions;
      vii. instances where we reasonably suspect that a claim is fraudulent, frivolous or vexatious; and
      viii. instances where you fail to inform us of any known restrictions within your control that would limit our ability to rectify the WiFi speed issue.

   You can run a speed test at any time using our free Virgin Media Connect app. Make sure you’re not connected to a VPN when you’re testing, as this will unduly affect your results.

   (e) If you are subscribing to Gig 1, Ultimate Oomph or one of our Volt residential broadband packages and you are eligible for WiFi Max, and from that date the WiFi Max terms and conditions shall apply to your continued use of that service. For the avoidance of doubt, existing Intelligent WiFi Plus customers will not receive more than 3 WiFi Pods in total (which includes any WiFi Pods that they may have already received prior to being moved over to WiFi Max).

   (f) You can request a WiFi Pod by following the instructions; or by getting in touch through one of our accessible contact options (see https://www.virginmedia.com/help/accessibility). We will check your speeds and conduct a needs based assessment, and if you are eligible we will provide you with your first WiFi Pod.

   (g) If you have received your first WiFi Pod and once you have set it up you are still not receiving download speeds of at least 30Mbps in every room, you can request a second WiFi Pod by signing into My Virgin Media, clicking on Your Package and following the steps in the WiFi Max tab. Alternatively, you can get in touch through one of our accessible contact options (see https://www.virginmedia.com/help/accessibility). Our agents will run further tests to ascertain whether you need an additional WiFi Pod.

   (h) If you have received your second WiFi Pod and once you have set it up you are still not receiving download speeds of at least 30Mbps in every room, you can request a third WiFi Pod by signing into My Virgin Media, clicking on Your Package and following the steps in the WiFi Max tab. Alternatively, you can get in touch through one of our accessible contact options (see https://www.virginmedia.com/help/accessibility). Our agents will run further tests to ascertain whether you need a third (and final) WiFi Pod.
If you are still unable to receive download speeds of at least 30Mbps in every room after installing your third (and final) WiFi Pod, you should contact us by signing into My Virgin Media and clicking on Your Package and following the steps in the WiFi Max tab. Alternatively, you can get in touch through one of our accessible contact options (see https://www.virginmedia.com/help/accessibility). We will run further diagnostic checks and we may send a technician to your home to check that your WiFi Pods are set up to give you the strongest possible WiFi signal. You agree to follow our reasonable instructions and (if we require it) provide our technician with access to your home on the day agreed for your visit. After that, if you still don’t receive a WiFi download speed of at least 30Mbps in every room, you can contact us and we shall provide you with a one-off credit of £100 on your next Virgin Media bill. This credit is only available once to the account holder at any particular address.

Please note that we need to be notified via the specific channels stipulated in each of sub paragraphs (f)-(i) above, otherwise it will not be treated as a valid notification under these WiFi Max terms and conditions.

If the one-off £100 credit is applied to your account and you are subscribing to WiFi Max as an extra paid-for add-on, you may choose to continue paying for the WiFi Max service without the benefit of any further WiFi Guarantee or cancel WiFi Max by providing us with 30 days’ notice.

Your rights and obligations under your agreement for your broadband or any other service with Virgin Media remains unaffected by the payment of the one-off £100 credit.

6. **Other terms**
